Deputy Commissioner's Office
Hassan District
Dated 25th Oct. 1892

From

P. N. Purnaiya Esqre
Deputy Commissioner
Hassan District

To,

The Muzrey Secretary
to the Dewan of
Mysore

Sir,

I have the honor to bring to your notice the difficulty which the General Assistant Commissioner in charge of the Muzrey work represents as being at present Experienced by him in getting up in time accounts and Returns relating to that Department — and generally in getting through the work. I have unqualified to confirm his representation. Hitherto, for obvious reasons, — Muzrey work was attended to in a very leisurely fashion. You are aware how the District Establishment was cut down at the

time of its reorganization. The small number of officials allowed were scarcely able to get through their more pressing work relating to other departments, where delay was not permitted. It was only after that, the official who first completed the more pressing work was made to attend to this. Now the circumstances are changed. As much attention has to be paid to this as to any other, as the work in this branch is getting systematised under your orders. It has become therefore absolutely necessary to have a full time official who could entirely devote himself for this work.

2. In former years this was one of the two or the most important Munsiff Districts of the Province - Hassan and S

next to

and in this District I and Hand there were three Special officials for this work which was and is heavy. The Melkote temple is the only important one which has been taken away from this District. There yet remain the important temple of (1) Kesava-swamy in Belur; of (2) Hoisaleswara in Halebeed of the same Taluk; of (3) Rameswara in Ramanathapur, of (4) Subramaniya Swamy in the same place, of (5) Subramaniya Mutt at Do.; of (6) the Uttaradi Mutt in Hole Narsipur; of (7) the yogabrahmanandaswamy Mutt in the same place; of (8) the celebrated Subramaniya Institution managed by the Manjarabad Taluk; of (9) the important Bidé Chatram in the same Taluk; of (10) the Sravana-belagula Mutt in Heeraya patna; of (11) the Tirupatty temple at Arsikere and of (12) the Government Anna Chatrams

(the Taluks in each of these Taluks and in each of these Institutions thousands of rupees are annually spent. Almost all these are places of pilgrimage, attracting people from beyond the Province.

Besides these there are numerous other Institutions of minor importance, quite impossible even briefly to be classified in this letter. I therefore request that you will take this circumstance into consideration and obtain sanction of Government to entertain an official newly to be designated the Muzrai Clerk to be attached to the Deputy Commissioner's Establishment and to be deputed for work under any officer who for the time being looks after the work.

As the bills &c to be frequently presented to the Treasury will have to be prepared in English and as the accounts have also to be submitted in English, it is necessary that this official should know English. His salary therefore may not be less than 25 Rs or 20 Rs per mensem. I solicit the favor of your authorizing me to entertain this official at once in anticipation of your obtaining sanction of Government as there is no time to be lost in setting to reduce the work in this branch into a system.

To,

The Secretary to the
Government of Mysore
Inamdaraji department

Sir,

I have the honor to submit for early sanction a proposal for strengthening the District Inamdaraji Establishment and I beg to note below various reasons which make it indispensable.

The work of the department extremely heavy, even in respect the mere number of papers passing through its hands. The same may be seen from the subjoined list, relates to the period of twelve

from 1st July 1895 to the end of June 189[illegible]
This does not include the numerous offi
memos and abstracts of cases coming
from the Mugroi officer.

Papers received from Taluk and other offices	1132.
Papers from the Mugaroi Secretary in English	154.
— Do — in Canarese	84.
Petitions	222
Total	1592.
Papers sent to Taluk and other offices from this office	1159.
Papers sent to the Mugaroi Secretary in English	54.
— Do — in Canarese	197
Total	1410.
Grand Total	3002.

To this have to be added the following periodical returns to be checked, —

prepared

prepared and submitted to Government.

Monthly returns ... 12
Annual returns ... 1
Annual Budgets ... 42
Annual jewel returns 7
Total 62

(2.) In the next place, beyond the mere number of papers is the complexity and importance of the matters dealt with. These matters relate to questions of religious rights, claims and practice of accounts; of claims to land, and the incidents of darkhast and cultivation of hudivat and Inams, religious services and festivals, of the construction, repairs and management of institutions; they relate, in short, to a vast body of complicated subjects of diverse kinds

kindo, on which not only much thought by the officer but also much writing by the clerk has to be done.

(3) Office Registers have also to be maintained for all papers coming to or issuing out of this office.

(4.) In Corresponding with the Muzaroi Secretary in Lanarese, duplicate Copies of Rubkaries have to be prepared and filed with the records.

(5) The tendency of Government of late has been to encourage Correspondence in English on most matters so that an English knowing hand on a decent pay has to be engaged to Copy drafts to Government and also memos from the Muzaroi officer

(6) For the records of the Department ferists have to be prepared.

To Cope with the work in the preceding para. there is at

a

a single Gumasta on pensionable salary of Rs 20, who constitutes the sole strength of the District Mufsil Establishment.

Now, this man, while working immediately under the Mufsil officer, is also charged with the duty of taking and reading papers to the Deputy Commissioner and obtaining his orders on them; so that it often happens that when the Gumastha accompanies one of these officers on tour the work with the other is carried on with inconvenience.

When the Gumasta applies for leave, either it has to be sternly refused, or if it is granted there is some difficulty in arranging for a substitute during his absence.

The work as above described is responsible and laborious

and

and I submit that a Gumasta on Rs 20/- a month is hardly the person to be entrusted with it.

Before the abolition of the District in 1882-83, the strength of the Muktesar Establishment stood thus:-

(1) A Head Gumasta on Rs 25/-
(2) A Munshi ... on " 15/-
(3) A Munshi ... on Rs 7/-
(4) A Peon ... on Rs 6/-
Rs 53 a month.

The work for which such an Establishment existed previous to 1882-83, has necessarily increased to an enormous extent in the course of years, so that now it is impossible to cope with it with a single clerk on Rs 20/- a month.

I, therefore, solicit the favorable consideration of Government for the following scale of Clerical Establishment which

which is the smallest that I can propose with reference to the actual necessities of Inzaroi work.-

1. Gumasta on Rs 25/-
1 Munshi on Rs 15/-
Rs 40 a month.

the additional cost to be met from the surplus fund of the District. If this be sanctioned I can utilize the services of the clerks when ever they can be spared, in scrutinizing and indexing the large Nos of Pudivat documents lying uncared for for a long time in each Taluk Treasury.

ask to be delivered to the District Officer surplus & Hoskote awaiting 7.11.

Sir,
Your most obedient Servant.

From

The Secretary to the Govt. of Mysore
Emigration Department.

Sir,

Adverting to your docket No. 101/2-92 dated 13th July 1898 conveying sanction to the term of the appointment of the temporary Emigration Clerk of this office being extended by a further period of 6 months with effect from 1st July 1898, I have the honour to state that the term extended as above, expired on the 31st December/98 and that it is necessary only to make the Clerk's appointment but also to strengthen the District Emigration establishment as herein proposed.

2. That the work of the District Emig. department is multifarious and that it has been ever increasing and

a single hand can hardly cope with the work, have already been brought to the notice of Government by my predecessors, Messrs. — Krishnaswamiengar & Krishniengar and there-fore I need not reiterate what have been so clearly placed before Government.

3. It may not be out of place here to submit that this department has, for the last five months, been under my direct management and I can fully endorse the view expressed by my predecessors in respect of the difficulty experienced by them in efficiently and promptly carrying out the works of this department. The Inam accounts of the past several months, the annual accounts, the Inam administration reports and several miscellaneous statements, returns and reports have not yet been prepared and

have

have been pending submission to Govern-
ment, numerous office memos and ab-
stracts of cases have to be prepared. ~
Papers to be received from the Munzoi
Secretary and the Taluks and those to be
sent to the said officers have to be attend-
-ed to. Monthly returns, annual returns,
Annual budgets and annual jewel
returns have to be checked, prepared and
submitted to Government. In addition
to these matters relating to questions of
religious rights, claims and practices
of accounts, of claims to land, of inci-
dents of Darkhast and cultivation,
of Pudavads, and Inams of religious ser-
-vices and festivals and of constructions
repair and management of institutions,
in short a vast body of complicated sub-
of diverse kinds, arise in this depart-
-ment. re have to be maintained

for all papers coming to and issuing out of this office. There are also several other miscellaneous works. All these works cannot be attended to by a single Clerk on a non-pensionable salary of Rs. 20/- per month.

4. From this office letter no. 398 dated 5th November/98 submitted to Government, it may be seen that my predecessors moved the Government to strengthen the District Munzy establishment by attaching to it two permanent hands, one on Rs. 25 and the other on Rs. 15/-. The Government in their proceedings no. 501-2 Munz. F-2-92 dated 6th November/97 were pleased to record as follows:—

"The Government observe that the pay of the Munzvi Clerk in the Deputy Commissioner's office being debited to the

—— the Muzrai Surplus funds, it will be a heavy drain on the resources of the Muzrai institutions should the appointment be made permanent. The scheme of the general reorganisation of the Muzrai clerical establishments of the several Districts is engaging the consideration of the Government and final orders on the subject will be issued in due course".

5. Under these circumstances I have the honour to request that you will kindly obtain early sanction to the entertainment of the marginally noted establishment to be paid from general revenues, so that it may not drain off the surplus funds of the religious Institutions this sacred department.

Deputy Commissioner's Office,

Dated. Hassan, 6th September/00

From,

The Deputy Commissioner,
Hassan District.

To

The Secretary to the
Government of Mysore,
Mulgrai Department.

Sir,

I have the honor to state that the temporary appointment of a Mulgrai Clerk on Rs 20 per mensem having ceased by the end of 30th June last, in accordance with Government Proc: Circulars No. 1036 Mulg: 2-92 Dated 10th April 1900, I have been obliged to utilize the services of a clerk from another Department to the detriment of his legitimate work. I would submit that with the daily increasing work of the Revenue Department, it is found impossible to

to subsidize any further his services in the Mungroi Branch which as has been so frequently urged both by my predecessor and myself, requires the undivided attention of a permanent adequate staff.

2 — The Government in their order No: 1102 Dated 7th April 1899 were pleased to remark that the establishment recommended by me in my letter No: 561 Dated 4 February 1899 appears to them capricious. I would submit for their kind approval the marginally noted revised scale for the District Establishment, but pending sanction of the general scheme stated to be under the consideration of Government, I beg that you will be so good as to accord sanction, as a matter of very urgent necessity, to count

the

Head Clerk on Rs 25.
Deputy Clerk on Rs 15.
Do 40.

General No 368

No. 1

Enclosure No.

His Docket No 92 dated 4th December 1900 stating that the question of giving a separate clerical establishment for Nurgaon work will be considered as soon as the amount of savings available on the credit of the general institutions has been accurately ascertained, and requesting to renew the proposal at the beginning of the next financial

for which reply that the necessary proposals will be submitted as soon as the accounts for the year are closed. As the Nurgaon work is not confined to one season, it is desirable that a clerk should be employed throughout the year.

[illegible]

With reference to the above,

[illegible] for a regular establishment

will be made as decided at

the beginning of the official year next

June in the meanwhile, to request that

[illegible] may be kindly accorded at

[illegible] the entertainment of a temporary

Clerk on Rs 20 per mensem as hitherto

which is indispensable.

[illegible] may be stated that the

work in the Surveyor branch has become

so heavy that with the lot of extra work

connected with the Census &c, it is

found difficult to depute an official

from another Department to the

Surveyor work without detriment to

his legitimate work.
